Who We Are

We are a specialized health technology company that provides medical alert solutions and services that enable seniors to live safely and independently in their homes while ensuring confidence on the part of caregivers.

Family Owned

Our private, family-owned business is proud to be an industry-leading, national provider of age in place services.

100% US-Based Monitoring

With redundant monitoring centers in New Jersey and Texas, our certified care specialists are available 24/7/365 for all medical emergencies.

40 Years Experience

We offer you expertise gained from over 40 years and hundreds of thousands of customers.

Why Choose Us

We protect lives. Our mission is to combine outstanding, reliable technology with exceptional customer service to ensure that your loved ones get the assistance they need in their most critical moments.

30-Day Money Back Guarantee

We stand behind our product. Try the service for 30 days and return for a full refund if you're not satisfied.

Consumer Trust

We have over 3,400 5-star reviews on Amazon, Google, and TrustPilot.

Fastest Response Time

You get the fastest response time in the medical alert industry 24/7 from our UL-listed, CSAA Five Diamond senior alert monitoring center.

Solutions

Our systems are built to suit individual lifestyles. Choose between in-home and fully mobile solutions that use fast, reliable technology to provide protection around the clock.

On the Go

Mobile LTE Medical Alert System with GPS

Cutting edge technology that can go anywhere

For reliable protection and pinpoint location service wherever you need to be, our Mobile device provides maximum freedom and flexibility. Go anywhere with confidence knowing help is just the press of a button away.

FEATURES

- Works with AT&T or Verizon anywhere in the US.
- Automatic fall detection.
- Enhanced location services.
- Small & lightweight.
- Waterproof for 24/7 protection.

Find My Loved One

Instantly locate a loved one in real-time with a text message.

At Home

In Home Medical Alert System

Ideal system for in and around your home

For affordable protection in and around the home, our In-Home Medical Alert gives you independence and peace of mind packaged in a small, lightweight device.

FEATURES

- For Seniors who spend most time around their home.
- Automatic fall detection.
- Waterproof for 24/7 protection.
- Weighs less than ½ ounce.
- Range up to 500ft.
- Powerful speaker for clarity.

Caregiving Tools

Caregivers need support too. Our custom solutions keep you up to date on loved ones and support the logistical challenges of daily life.

How it Works

Getting help in an emergency couldn't be easier. Follow the steps below for you or your loved one to get the help they need, whenever they need it, 24/7/365.

Works with Alexa

Track your loved one's location in real-time. Access critical account information 24/7 at home with your Amazon Echo, or on your smartphone using the Alexa app.

Weekly Wellchecks

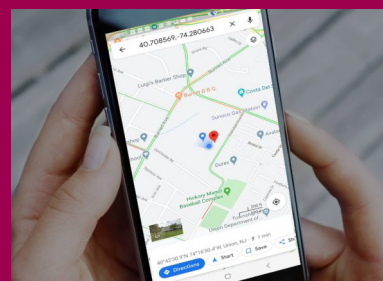

Our team proactively calls your loved one to provide a friendly voice, assess basic needs, and share resources to improve physical and emotional well-being.

CareAssist Concierge Service

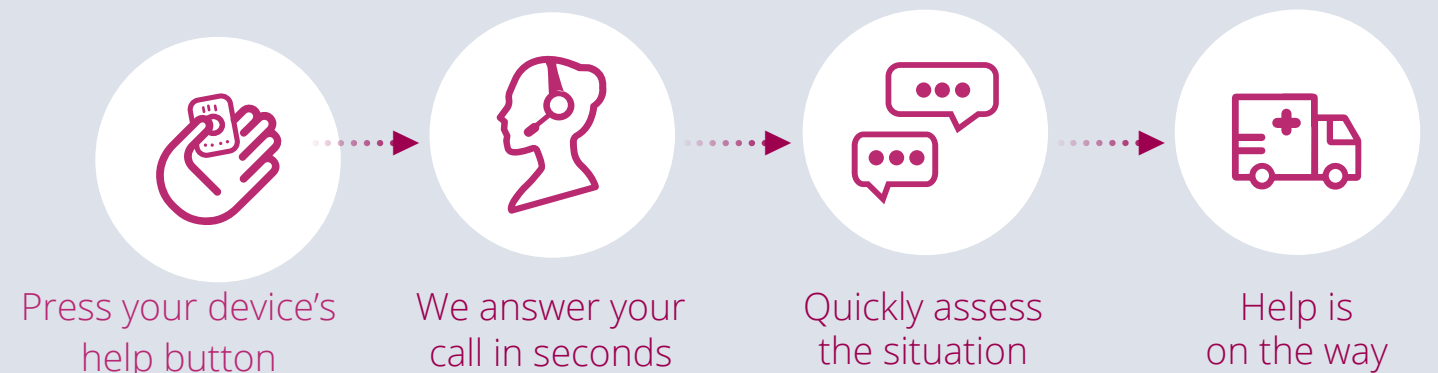

With our CareAssist Concierge Service, we can contact an expanded call list that includes meal delivery, pharmacy, and transportation resources.

Find My Loved One

Locate a loved one in real-time with a text message from your smartphone.
